Hello all!

As we wrap up our membership drive I would like to thank Delores Ely for her efforts in contacting prospects and say welcome to our new members. If you know of anyone who is a Republican and needs a place to help channel & voice their thoughts please let us know.

We had a good turnout at our candidate forum and I feel we all learned a little something new about the needs and concerns of not only the local community but the county as well. I look forward to another learning opportunity at our next meeting where Carol Ginn will update us on the Darke County Auditor's office.

Lastly, as I was driving from Greenville Wednesday evening, in the sudden sleet storm, and just as quickly a break in the clouds would occur and everything was clear, I was reminded that even when our world seems to be falling apart we can choose to spiral down with it or see the break in clouds and move on to better days. At all times, but especially in the bleak times, we need to not be afraid to ask for help, but also realize when our fellow man/woman needs a helping hand. As always please continue to be the light that you were created to be, but in all your doing be sure to recharge your light as needed. As Lady Liberty's torch stands as a Beacon for freedom and hope to all, allow us to continue to instill and share that hope in ourselves and others!

Sincerely,  
Jaime LeVeck, President
